Carla:

As per our conversation about Northwest Territorial Mint (NWTM) the manufacturer of the PMA260 Coins filing for bankruptcy the following is provided;

Attached is the letter from K&L Gates LLP (Bankruptcy Trustee) , Denise Lentz is the paralegal working this case. I spoke with her yesterday (206-623-7580) and she gave me the POC to speak to at NWTM.

Her name is Jenifer Baker and her phone number is 775-461-7341 and her

e-mail is jenifer.baker@medallic.com. I just spoke to Jenifer and she provided me with following requirements.

Eagle Systems needs to e-mail her copies of the invoices that showed we paid for the dies that NWTM made to produce the coins. It should have an invoice number and possibly a code about the dies.

Jenifer also stated that the Judge holding the bankruptcy hearing will be making a determination at the end of Jun about the disposition of the dies.

She said they'd most probably go to a company called Metalcraft. Jenifer is also cc'ed on this e-mail

Any other questions let me know.

NOTICE OF PROTOCOL REGARDING CLAIMS OF OWNERSHIP OF NORTHWEST
TERRITORIAL MINT COINING DIES AND ASSOCIATED MATERIALS AND DEADLINE
TO ASSERT INTEREST IN OR OWNERSHIP OF COINING DIES

PLEASE TAKE NOTICE that on April 1, 2016, Northwest Territorial Mint, LLC ("NWTM") filed a petition for bankruptcy relief under Chapter 11 of the United States Bankruptcy Code under Case No. 16-11767-CMA. On April 11, 2016, the United States Bankruptcy Court for the Western District of Washington appointed Mark Calvert as the Chapter 11 Trustee (the "Trustee") over NWTM.

PLEASE TAKE FURTHER NOTICE that NWTM operated a custom minting business whereby customers would contract with NWTM to produce coins and medallions bearing specific designs. In order to produce these coins and medallions, NWTM created custom coining dies (each, together with any associated materials such as plasters, galvanos, and artwork, a "NWTM Die") to press the coin or medallion using the artwork provided by the customer.

PLEASE TAKE FURTHER NOTICE that based upon his investigation of the records of NWTM and the historical business practices of the business, the Trustee believes that with limited exceptions, NWTM retained ownership of all NWTM Dies created to produce coins, medallions, or other products for customers. The Trustee understands that some NWTM customers may assert ownership of a NWTM Die. It is the intent of the Trustee to sell the NWTM Dies, subject to court approval, to a buyer capable of preserving the NWTM Dies and producing coins, medallions or other products at the request of the customer.

Further, NWTM maintains some associated material related to some die, which may include bas-relief sculptures, trim tools and a sample strike, or specimen, of a struck coin or medal.

PLEASE TAKE FURTHER NOTICE that if you assert an interest in or ownership of a NWTM Die or associated materials you must, by June 21, 2018 (the "Die Claim Deadline") contact the Trustee in writing and assert an interest in or ownership of a NWTM Die by filling out a request for die form at www.dierequest.nwtmint.com and must further provide any evidence in support of your claims of interest or ownership or contact the Trustee in writing at:

c/o Denise Lentz
K&L Gates LLP
925 Fourth Ave., Suite 2900
Seattle, WA 98104

Customers asserting an interest in a NWTM Die will need to provide information establishing their association with specific dies such as a copy of a sales quote, order, invoice, written communication, or other information sufficient to establish the association with a specific die.

PLEASE TAKE FURTHER NOTICE that the United States Bankruptcy Court has authorized the Trustee to settle customer claims of an interest in or ownership of a NWTM Die and to

transfer dies, galvanos and associated artwork to customers in connection with any such settlements.

It is important to note that this Notice only relates to dies manufactured by Northwest Territorial Mint. Dies manufactured by the Medallie Art Company ("MACO"), a separate division of NWTM are not subject to this notice. The MACO division of NWTM generally created medallions in excess of 2" in diameter. Each die created by NWTM or MACO is assigned a die number, which can be found on the invoice issued when you purchased product from NWTM and MACO which required the creation of a die. NWTM die numbers begin with a numerical value, while MACO die numbers begin with a letter.

Please take further notice that if you timely assert an ownership interest in a NWTM Die but do not reach a settlement with the Trustee, a hearing will be held on July 17, 2018, at 9:30 a.m., before the Honorable Christopher M. Alston, United States Bankruptcy Judge, 700 Stewart St., Seattle, WA 98101 (the "Initial Omnibus Hearing"). You may attend the Initial Omnibus hearing in person or by telephone. A call in number and further guidance on the Initial Omnibus Hearing will be provided at a later date.

Please take further notice that if you believe you hold an interest in or own an NWTM Die, but you fail to assert your interest or ownership by the Die Claim Deadline, your claimed interest in or ownership of the NWTM Die will be deemed waived and extinguished, and the NWTM Dies will be deemed to be property of NWTM's bankruptcy estate. Each recipient of this notice is personally responsible for reviewing this notice and timely asserting an interest in a die and should not rely upon their respective agents and attorneys to meet the deadlines specified in this notice.

Captain Belcher has approved the attached coins (130 is the front & 131 is the back) in the quantity listed below. The extra 10 above the 100 are for Gary Carr and myself and I'll provide Debi Davis my credit card number to cover those 10. My POC's at Northwest Mint are Marty Colwell and Debi Davis, all pertinent info listed below. Marty is out the rest of the week so I'd appreciate it if you call Debi Davis and give her the go ahead and forward this e-mail on to her and Marty (cc'ed above) and also cc Gary Carr and myself and provide her with the credit card number so we can get this presentation material on order. It'll takes 6 weeks for the coins to be processed and have them shipped back to Eagle and Ya'all can get them to me.

Subject: Fwd: Revised Coin File
Attach: Coin Dies - Belonging to Carol Ehrlich Designs.pdf; ATT00001.htm

Attached are copies of paid invoices for Coin dies I have purchased from this company over the years. I would like them returned to me as soon as possible. This is probably not even a full list of my dies, but this is what I could find in my files. Basically, all 25 and 20 mm horse coin dies belong to me, since they did not make these sizes for anyone else.

Thank you for your attention,
Carol Ehrlich

I have enclosed invoices for eleven dies. These are the only ones I could find in my records. But basically, all the 25mm and 20mm these coin dies belong to me. I have approximately 15 dies done by this company over the years.

Once you fill this out you can email to jenifer.baker@nwtmint.com or send via mail to:

c/o Denise Lentz
K&L Gates LLP
925 Fourth Ave., Suite 2900
Seattle, WA 98104

I would like them returned to me, as they all belong to me and not to the company.

I don't know if this particular coin is included in the invoices I sent you, but this is mine. The date marked is '2009' and it is 25mm in diameter.

The coins manufactured for me have ^(use) my signature die for the reverse side of the coin.

I am out of this particular coin and I definitely want this die returned to me, along with all the others!

Subject: NWTM dies

Hi Jenifer,

Silver State Stainless received the Notice of Protocol regarding claims of Ownership of Northwest Territorial Mint Coining Dies. While reading the notice there was a section that states "It is important to note that this Notice only relates to dies manufactured by Northwest Territorial Mint. Dies manufactured by the Medallic Art Company ("MACO"), a separate division of NWTM are not subject to this notice." The part that the MACO division is not subject to this notice concerns us. We did pay for our Custom 39mm Obverse Coining Die – Part number: M 2 59. We would like to take ownership of our die and we are not sure who we need to contact to obtain ownership.

Thank you for your help.

Jennifer,

On behalf of our Director, Denise Perron, I have sent the completed form via your website but could only attach one PDF form so I have attached both our bill for the 2 dies as well as the cancelled check as proof of ownership. If you need any additional information, please do not hesitate to contact me. Thank you.

Ms. Baker,

Please find attached a scan of Invoice #527762, dated 2/19/14, for the contract which produced dies H2675 and H2676.

Following our recent phone conversation, I ask the following questions:

1. **To which Firm/Division should these dies be attributed: MACO or NWTM?** I am aware that you all were co-located at the time; and generally MACO produced medallions of this 65mm size; and the salesman with whom I worked (Gene Frink) referred certain aspects of the order to the MACO Division. But the die numbering seems to indicate NWTM.
2. **Where are these dies physically stored? How about the sculpts and artwork? Where would they remain, if not sent to me?**
3. MACO has an exceptional reputation. MedalCraft Mint in Wisconsin says it has purchased some of MACO's presses; and would be able to execute a similar order in the future. **Would you say the quality would be similar?**
4. **Which MACO/NWTM artist can be credited with this work?** Moritz Furst was the famous US Mint engraver who executed the original obverse bust in 1819. In those days, the engraver's name was included in the strike. I understand the neither the US Mint nor you can do that now. But my correspondence with Frink indicates that one of your artisans accepted my challenge to include important details in the reverse of my order; and the resulting changes are stunning even at 10x! The name of that person needs to be preserved.

I look forward to your answers and how I should respond to Trustee Mark Calvert's June 21st, 2018 deadline for claiming dies.

Sincerely,

OH Perry Cabot

Jenifer,
Thanks for the quick response. I sent you a picture of the front and back of the coin. It's hard to read the text on the back but if it helps it says:

Please feel free to call if you have questions

The original Artwork and Die were produced in 1999 with a revision or a new die made at a later date.
